

# Cronulla South Public School P&C

## 2019 Events Program

The Cronulla South Public School Parents & Citizens Association (P&C) in conjunction with the School's Leader in me Program is introducing an exciting new Events Program.

The New Events Program aims to maintain a good school spirit and a sense of community is key. Most importantly, the parents, classes and the school as a whole work together.

Research has shown that it is beneficial for our children that we host P&C school events. To ensure the continuation of these events the P&C and School have developed a new Events Program. The Events Program ensures volunteer roles are evenly distributed throughout the school and the reduced need to call for volunteers when events come up. It is a great way for new school families to become familiar and involved in the school community.

### **What is Needed?**

The new Events Program will require a Year Representative from each class. Mums, dads, carers, new & seasoned parents are invited to put forward their names as Class Year Rep for their children's classes. This is a great way to get to know other parents in the school and to make new friends. It is a relatively easy task and two parents can share the role of Class Year Rep.

New parents are especially recommended to consider taking up this role. It is a great way to meet all the families in your class, and being involved in the school helps to settle your children into their new school environment.

### **THE CLASS YEAR REP**

#### **Maintaining a Year Group Contact List**

The primary responsibility of a Class Year Rep is to create and maintain a parent/carer contact list for your Class Year group. Parents & carers in each class will be asked to provide their contact details at the end of this note. Details are to be handed into your child's class teacher. Each class teacher will supply completed slips to their Class Year Rep who will type this information and distribute the list to all parents & carers on the list and send it to the P&C email account.

The Class Year Rep will work with fellow Class Year Reps in taking the lead role in organising other class parents and families to volunteer at the school for their child's Year Group designated activity.

Class Year Reps will be provided with support and assistance from the P&C Events Co-Ordinator and overall P&C.

Below we have a table showing which designated activities have been assigned to each year. The events shown below are only P&C Fundraising events, it does not show any events hosted independently by the school.

### Cronulla South Public School P&C Fundraising Events Calendar, 2019
